1C. Zooming in on Entrepreneurialism

Chair: Rasmus Koss Hartmann (CBS)

Justine Buriller (ESCP Business School)

Reimagining entrepreneurial growth: The case of entrepreneurs' narratives in the sustainable fashion industry

Thomas Schøtt (University of Southern Denmark) and Mahsa Samsami (University of Agder & Stellenbosch University)

People's appreciation of the role of the entrepreneur: Shaped by society's culture of entrepreneurialism

Robert Eberhart (University of San Diego)

Entrepreneurialism and the acceptance of inequality: What caused it, what keeps it going, and what to do about it?

11:30 – 12:45

The session is 75 minutes, and each presenter has been allocated 15 minutes for presenting. Let's keep the speakers on track with their time so we have enough room for open discussion and interaction with the audience.

Justine started her PhD in Entrepreneurship at ESCP Business School in Paris, France in 2021. Her dissertation rethinks entrepreneurship by engaging the social imaginary of growth from a post-growth perspective. She is currently visiting CBS.
